

EVENT #104

Learn to Start, Expand or Relocate Your Practice: Learn From a Panel of Dental Experts

Presented by Bank of America Practice Solutions

Whether you are starting out, expanding, remodeling or upgrading this seminar will teach you about the many factors that go into building a dental office. Participate in a roundtable with experts that will walk you through the design and construction of your office. How do you obtain financing for the project? Learn best strategies to find a great location and negotiate the best lease or purchase contract. Each member of the team will share insight and experience so you will be prepared for the next phase of your practice.

Learning Objectives

- Determine the best time to make the transition to practice ownership.
- Learn how to build a dream team to provide you guidance through the ownership process.
- Understand important pitfalls every dentist should avoid.
